

possibility of coercion or undue influence in the incentives or rewards offered in recruiting into or retaining participants in scientific studies.

E. Dissemination of Research Results

Externally awarded investigators are urged to make special efforts to disseminate relevant research results to the communities who participated in the studies and to the affected populations, especially racial and ethnic minority populations that may have cultural, language, and socioeconomic barriers to the easy receipt of such information.

VI. Evaluation

CDC Inclusion Review Committee Responsibility and Members

A CDC Inclusion Review Committee (IRC) with representatives from the CDC Office of the Associate Director for Science, the CDC Office of the Associate Director for Minority Health, and the CDC Office of the Associate Director for Women's Health will review any questions, issues, or comments pertaining to this policy and recommend necessary changes or modifications to the Director, CDC. This committee will meet regularly to review compliance with this policy and evaluate the impact of this policy on research activities at CDC. The CDC IRC may periodically conduct random audits of research protocols to assess compliance with this policy.
